

**L'Initiative Justice Climatique & Environnementale du Centre
Carter plaide pour les droits des populations congolaises
dans la transition énergétique mondiale.**

Atlanta-Lubumbashi, 10 juin 2024—

L'initiative propose également d'amplifier le soutien aux campagnes de suivi et de plaidoyer des acteurs indépendants de la société civile auprès des acteurs nationaux, régionaux et internationaux, ainsi que la représentation des intérêts des populations congolaises dans les initiatives nationales, régionales et internationales en faveur de la justice climatique et des questions environnementales.

The Carter Center

Waging Peace. Fighting Disease. Building Hope.

A not-for-profit, nongovernmental organization, The Carter Center has helped to improve life for people in over 80 countries by resolving conflicts; advancing democracy, human rights, and economic opportunity; preventing diseases; and improving mental health care. The Carter Center was founded in 1982 by former U.S. President Jimmy Carter and former First Lady Rosalynn Carter, in partnership with Emory University, to advance peace and health worldwide.
